Summary

Reliable and physically capable worker with hands-on experience in warehouse operations, stock control, and shift-based roles. Demonstrates strong ability to manage inventory, replenish stock, and maintain a clean, well-organised work environment. Seeking a stable position to support ongoing study commitments. **Available for consistent evening and weekend shifts, with long-term availability.**

Experience

ABG Projects — 2024

Labourer — *Secret Harbour*

- Prepared and cleaned construction sites, assembled daily job kits, and handled loading, unloading, and moving materials.
- Managed inventory of tools and materials transported supplies using a company Ute and collected urgent items from suppliers; licensed forklift operator.

Wymap Group — 2023 to 2024

Ramp Services Officer — *Perth Airport*

- Operated tugs, barrows and dollies around aircraft and airside areas; sorted, scanned, lifted and transported luggage in a secure airport environment.
- Followed strict safety and security procedures while working rotating shifts and collaborating with teams to meet tight aircraft turnaround schedules.

TVH Australia — 2015 to 2022

Store person — *Kewdale*

- Picked, packed, scanned and dispatched customer orders accurately; replenished shelves, organised incoming stock using FIFO procedures, assisted customers with order enquiries, completed multi-drop customer deliveries, and coordinated with couriers.
- Conducted stocktakes and inventory checks, monitored packaging supplies, and maintained a clean, safe warehouse while meeting daily productivity targets.
